Modern Musician Capstone

**Luis Quesada Torres**

has successfully completed, the online, non-credit Specialization

## Modern Musician

A sequence of 3 courses with an accompanying 6-week-long final project, in which you record and produce a song that you have written.

This 24-week-long sequence of courses teaches key concepts in music theory, ear training, songwriting, and music production. Those who complete the specialization are armed with the tools they need to write and produce their own music.
